Welcome Message from the Town Manager

Welcome to the official website of the Town of Long View—truly the hidden gem of our area. Conveniently located just west of Hickory, Long View offers the charm and comfort of small-town living while providing easy access to the conveniences, opportunities, and amenities of a larger city.

As a full-service municipality, the Town of Long View is proud to provide high-quality Police and Fire services, as well as a dedicated Public Services Department committed to serving our residents. Our Public Services team works diligently to enhance quality of life by providing yard debris pickup, junk item removal, maintenance of our 29 miles of town-maintained streets, and reliable water and sewer services. Garbage collection is provided by Republic Services, ensuring dependable and efficient waste removal for our community.

Our strategic location also makes Long View an exceptional place to live and do business. With close proximity to Hickory and convenient access to Boone, Asheville, and Charlotte, our residents and businesses enjoy the benefits of both peaceful community living and regional connectivity.

Thank you for visiting our website. We are proud of our town and the people who make it special. We look forward to meeting you and serving you.

Sincerely,

James R. Cozart

Town Manager, Town of Long View
