Welcome Message from the Town Manager

Dear Residents,

It is an honor to introduce myself as your Interim Town Manager. For the past three years, I have had the privilege of serving our community as the Town's Finance Director. During that time, I have come to appreciate not only this wonderful community but also the incredible employees who work each day to serve our residents. It has truly been a pleasure to work alongside such a dedicated team.

As I step into this new role, I am excited to continue serving our town and building on the relationships I've developed. I believe in open communication, teamwork, and providing responsive, transparent service to our community. My goal is to support our employees, work closely with the Town Council, and ensure we continue delivering the high-quality services our residents deserve.

I am grateful for the opportunity to serve as your Interim Town Manager and look forward to meeting more of you in the months ahead. Together, I am confident we can continue to make our town an even better place to live, work and visit.

Thank you for your trust and your warm welcome.

Sincerely,

Melissa Lalonde
Interim Town Manager
